SOCIAL EVENTS TO PRECEDE COMING PLAY

The production of the Famous Mrs. Fair is fast assuming the proportions of a major social event. Numerous groups are planning dinner parties, and indications are that there will be a large number of out-of-town people coming to see the play. Apparently word of the work the Players are doing is being heard abroad, Among the outside visitors will be:

Mr. and Mrs. Vernon Sheehan, of Claremont Pines, Oakland, who will entertain a group at dinner at the Claremont Country Club before driving out to enjoy 'Mrs. Fair'. This group saw 'Smiling Through' and deemed it well worthy of another trip to the town ship.

Roland Bendel's brother, Col. C. S. Bendel is bringing a party from San Rafael to see what kind of an actress his sister-in-law is.

Mrs. C. A. Noble of Concord is bringing a party from that city and Martinez because she has heard of the former work of our Players. So also are Mr. and Mrs. Henry Dodge of Hayward, and Mr and Mrs. Weeley Dexter Gordon of the same city.

Mr. and Mrs. Douglass Evey of Oakland also plan to come. And Frank Lombardi will host a group from San Francisco, who saw 'Smilin' Thru' while Mrs. Arnold Nash will entertain at dinner at the Rectory in Centerville. Mrs. Roland Bendel will have as her guests at supper after the perform ance some dozen friends from Oak land and Berkeley. Mr. and Mrs. J. R. Sutton of Centervlle are expecting dinner guests from Oakland.

Meanwhile the Players themselves are getting down to serious business of putting on finishing touches. Properties Chairman War ren Jones with assistants A. B. Leask and Helen Webb are laying their plans for another outstanding stage scene. As a matter of fact, the stage scenery of these plays has been one of the outstanding features of all their productions. Wini Bendel is to be prompter. Gladys Calhoun and Fred Padgett will assist in the make-up These departments are those behind the scenes that no one sees, but without which, no play could be perfected.

The cast moves into the High School auditorium for rehearsals next week, and Berkeley Buckingham, W. P. A. Director is giving them rigorous brushing up. The cast includes Mrs. Roland Bendel, Frank Lombardi, Helen Webb, Helen Ross, Weston Webb, Harry Cesari, Florence Myrick, Laura Leask, Lesda Brown, Sadie Hodges Nora Rogers, Ruth Jones and Yoshimi Kawaguchi.

The production will be given next Friday evening, June 20 in the Washington High school auditorium. Tickets may now be procured from members of the cast.

CAR LEAPS CURB BREAKS BIG WINDOW OF NILES STORE

A car belonging to a Southern Pacific employee, who had driven out here with his wife from Salt Lake City, on Monday night leaped the curb outside the Sprouse Reitz store in Niles, and crashed into the brick foundation of the street window, damaging it considerably and shattering the big pane of plate glass, according to Mrs. M. L. Fournier.

BIG PARADE TO OPEN LIVERMORE RODEO SATURDAY

LIVERMORE — The world's fastest rodeo, packed with western thrills, where 200 cowboys and cowgirls from all parts of the country will compete for huge cash prizes and points toward national cowboy championships.

Livermore's rodeo plant, largest in the world, has 24 chutes, releasing a new contestant into the arena every 13 seconds.

Wild Brahma bulls, a cross between the sacred cattle of India and the Texas longhorns, will provide thrills in the bull-riding event most dangerous of all cowboy sports. The toughest broncos in the west, each with a different style of bucking are signed for the bronc riding championships.

In preparation for the week-end of rodeo entertainment, all Livermore is decorated with gay banners, and residents have donned cowboy attire in keeping with the festivities.

Hundreds of horsemen, marching units, stage-coaches and floats from central California cities and towns are entered in the gigantic Pioneer Parade that will open the rodeo celebration at 10 a. m. Saturday. Sheriff Jack Gleason of Alameda County will be grand marshall, with Max and Buddy Baer returning to their home town to act as cheif aides.

Cowboys competing in the show, rodeo directors and townsfolk will ride horseback to the rodeo grounds at 12:30 each day in a cowboy parade signalling the start of each performance.

A carnival Saturday and Sunday nights, and a big rodeo dance Saturday night, sponsored by Livermore Post of the American Legion, are other events planned for the annual celebration. Proceeds from the rodeo will go to the Boy Scout troops of Livermore.

RED CROSS SEWING ROOMS NEED MORE WOMEN THIS WEEK

(Special to The Register)

CENTERVILLE — An especially heavy shipment of about 200 blankets and garments to be sewed by Washington Township women has been received at the Centerville office by Mrs. F. V. Jones, general chairman of the four Red Cross sewing rooms in the Township.

Mrs. Jones greatly appreciates the generous work already done by many Township women, but urges that more women give an afternoon a week to help in the sewing rooms or take some garments home to sew in their spare time.

Information and garments to be sewed may be procured from Mrs. Jones in the county health office adjoining the Coit Hardware store in Centerville.

DECOTO BOOSTERS BACK SCOUT TROOP

DECOTO — At a recent meeting, the Decoto Boosters club voted to sponsor the Decoto Scout Troop and President David Janeiro appointed the following as a Scout Troop committee: Charles Brown, Bernie Joseph, Byron Justus, L. W. Musick and Pete Decoto.

Field Executive W. T. Lindsay presented the request.

READY FOR THE LIVERMORE RODEO

Ramona Regan is all dressed up and waiting for the "world's fastest rodeo" Saturday and Sunday, where national cowboy championships will be at stake.

NAVY TO OPEN TRAINING SCHOOLS IN 12 CITIES

(Special to the Register)

Secretary of the Navy Frank Knox announced this week that the Navy will complete in the immediate future the opening of 23 new schools for training enlisted men of the regular Navy and naval reserve for rating as petty officers in cooperation with the vocation education program of the U. S. Department of Education.

Located in 12 leading cities throughout the United States, the schools will offer ten basic subjects that will give men enrolled excellent training for making a livelihood after leaving the service. These courses include radio, visual signaling, diesel engine operation and maintenance, aviation machinists, cooks and bakers, yeoman, carpenters mate, storekeepers and electrians' mates.

Men interested in enlisting in the Navy are urged to see Chief Quartermaster Walter S. Smith, local recruiting officer, who is stationed at the draft board office in Niles every Friday.

Mrs. Clarence Crane Y. L. I. Grand Organist was among those who attended a Y. L. I. meeting in Irvington Wednesday night. It was the official visit of the Grand President Berneice Etcheber.

CITIZENS MUST OBTAIN PERMITS TO BURN TRASH

Parties who burn leaves in threir gutters, household trash in their back yards, or who burn standing grass, — in fact anyone who touches a match to combustible materials out-of-doors MUST first secure a fire permit.

This is the warning issued by Fire Chief A. M. Alves at Niles, who says the same requirements are now in effect in all communities of Washington Township, by reason of a new county ordinance recently passed.

Persons who regularly burn trash will be issued a permit good for the current year. When the year expires another permit will have to be applied for. There is no charge for these permits, which may be secured from the chiefs of the various departments throughout the Township departments.

JUNIOR CHAMBER TO DINE IN SAN JOSE MONDAY EVE

A buffet supper party is to be held Monday evening, June 16 by the Niles Junior Chamber of Commerce and their invited guests who will meet at 7 o'clock at The Alameda and Cinnabar street in San Jose President Ed Enos announces.

Groups from the larger concerns in the Township will form their own parties. Each member is entitled to bring several guests to enjoy the eats, refreshments and entertainment.

Preparations are being made to take care of some 200 men, he says.

MISSION SCHOOL TO GRADUATE TWELVE PUPILS

MISSION SAN JOSE — Graduation exercises for the twelve eighth graders of Mission San Jose Grammar school will be held this Friday evening at Washington Union High school with Father Ryan as the speaker.

Forty students will present an operetta, Mulligan's Magic. The graduates were guests of the seven th grade at an all-day picnic in Santa Cruz last week, and a party for the graduates was given Sunday at Linda Vista Park. Swimming and dancing followed a wienie roast.

Mr. and Mrs. Leon Orcutt and Mr. and Mrs. James F. Williams made a fishing trip to Fort Bragg on Saturday.

RETURN FROM MONTANA

John E. Berchem and Jack Parry returned to their Niles homes Sunday evening from an enjoyable two weeks' motor trip to Montana and return through Washington and Oregon. They report a "dry" rain fell in Montana, which did not seem to wet the natives or the ground. This was something new to the two Californians, who are accustomed to receiving their rain "wet".

CREDIT BUREAU NAMES MEN TO SIGN UP MEMBERS

CENTERVILLE — A nucleus of 15 Township businessmen met again in the visual education room at Washington High school Monday evening after 8 o'clock and continued their work in organizing a Towship Credit Bureau.

Dr. T. C. Wilson, president of the Niles Chamber of Commerce served as acting chairman of the group. After considerable discussion the chair appointed two merchants from each of the eight towns comprising this township, and empowered them to get a sign-up of the business people of their community who will pledge themselves to support this activity, and will consent to pay a modest charter fee upon demand, in order to get the Bureau established in an office, pay for phone rent, secretary's hire, etc.

The following men, some of whom were not present were asked to serve: Irvington, Vernon Leal and Edward L. Rose Newark, Paul Gygas and Rinaldo Cozzi; Centerville, John Calcagno and Allen Walton; Niles Dr. Wilson and Arnold Bellini; Alvarado, John Briggi and Joe Jacinto; Decoto, T. E. Amaral and Joe Calderia; Warm Springs, Joe Brown and Joe Dutra; Mission San Jose, Bill Fernandez and Cyrus Solon.

A progress meeting, with a much larger attendance desired, has been called for next Monday evening, June 16 at 8 o'clock at the high school here, at which time a board of directors is to be elected and a permanent chairman selected from among the directors. When this is accomplished definite plans can be made for starting up the Bureau.

GROUND PREPARED FOR DR. GRAU'S MODERN HOSPITAL

Work started last week on preparing the ground at Niles upon which the handsome new, streamlined office building and clinic is to be erected for Dr. E. C. Grau.

It will stand between the El Salvador apartments and the Golden Eagle Service station opposit the P. C. Hansen Lumber company's building at the west end of Main street in Niles.

Dr. Grau has had elaborate plans draughted by a San Francisco architect, and considerable of the new opague glass building blocks will be used.

This new facility will add greatly to the modern conveniences at Niles and will prove of service to all of Southern Alameda County.

E. E. Dias, the contractor in charge is also working on the Grau's elaborate new home which overlooks "Grau Lake" southwest of the Niles Elementary school.

MEN'S CLUB DINNER TICKETS ON SALE FOR NEXT THURSDAY

Tickets are now on sale by the men and the young people of the Niles Congregational church for another fine baked ham with trimin's dinner to be served next Thursday night, June 19 in the Guild room at the church, beginning at 6 o'clock. Dinners will be served in the order of their arrival and there will be plenty of everything for everybody.

Fred Duffie, chairman of the board of trustees, and Reverend R. C. Day are in charge of arrangements and of cooking, assisted by men and boys of the church.

ROBT. FRANCIS, HARROLD WIN TRUSTEE POSTS

GALVIN OF NILES IS NARROWLY DEFEATED IN EXCITING CONTEST

The three-cornered race for two trustee posts on the board of Washington Union High school, run off at the polls last Friday afternoon aroused more interest in the Township than has ever been seen at a school election for many years.

Record-breaking number of voters went to the polls in many of the elementary school districts, particularly at Niles and Centerville, and when the ballots were tallied it was found that Robert Francis, Centerville grower was high man with a total of 717 votes. The incumbent, H. F. Harrold of Decoto placed second and was re-elected with 463 votes, nosing out the contender, John D. Galvin of Niles by only 25 vote surplus. Galvin polled 438 votes.

At Niles the Sanford Circle ladies adjourned their luncheon party at the Niles Congregational church and went to the polls in a body to vote. The Niles count was Galvin, 202, Harrold, 113 and Francis, 75. ,Another interesting contest was staged at the Centerville Elementary school where Ernest Sabina, local appliance shop proprietor, polled 463 votes to win him the trusteeship left vacant by the retirement of Mrs. George Coit. E. J. DeLuce, who ran against him, got 188 votes and Dr. F. J. DeBorba 28.

At Alviso, Mrs. Mayme Roderick, incumbent, defeated George Andrade with a vote of 69 to 56. Incumbents in other districts were elected without opposition—M. D. Silva at Newark, Joseph Martin at Alvarado, Harry Tyson at Niles, J. R. Silveria at Irvington, Joseph R. Telles at Mission San Jose, Ted Silveria at Warm Springs and Franklin Brown at Lincoln. At Decoto, Alwin Searles a new candidate, was elected without opposition, filling the vacancy caused by the retirement of Harvey Granger.

ST. JAMES CHURCH UNDERTAKES TO RAISE MORE FUNDS

CENTERVILLE — At a dinner held in the Memorial Hall of St. James' Church, Centerville some days ago Howard F. Chadbourne spoke some memorable words. "The Church", he said, "is an institution. It was here before we came and it will be here after we are gone . . . if we are faithful in our attendance and our giving." Thus inspired, the Forward in Service Campaign began, its aim being to raise an extra eight hundred dollars a year so that Washington Township may have the services of a young and full-time Episcopal clergyman.

The special committee appointed to achieve this end in co-operation with the congregation are R. J. Wright of Irvington, chairman, Mrs. Olace, Mr. and Mrs. Joe Adams, Mrs. Ralph Emerson, Mrs. W. W. Walton, R. A. Sparrowe and Roy Mathieson of Centerville. They are working with the support of the Bishop's Committee which includes Mrs. L. E. Bailey, Howard Chadbourne, Mrs. H. Granger, Miss Sheila Leachman and Arch Sparrowe of Centerville, N. Lax of Newark and Phillip Moore of Niles.

The Campaign began on Sunday June 8.

The Centerville Elementary School cafeteria closed on Thursday, June 12, after the most successful year in the history of the school.

The cafeteria opened on Monday, September 15, 1940, and was open every school day throughout the school year. An average of over a hundred students patronized the cafeteria each day.

The cafeteria is operated through the cooperation of the Centerville Parent-Teachers' Association and the Centerville Elementary School Board of Trustees.

The Centerville Elementary School pre-school play center the first and only one in the township, will be open five days a week all summer from 9:00 a. m. to 12:00 noon. Anyone desiring to enroll their child should contact one of the following officers:

Chairan, Mrs. Gilbert Smith; Vice-chairman, Mrs. Sidney Westray; Secretary, Mrs. Harvey Granger; Treasurer, Mrs. Ed Vierra; Ass't treasurer, Mrs. John Castro; Equipment chairman, Mrs. Jack Kleine; Hostess and program chair man, Mrs. Lawrence George; Publicity chairman, Mrs. Robert Francis; Purchasing chairman, Mrs. J. Anthony; Historian, Mrs. Harvey Granger; Auditor, Mrs. William Cavanaugh.

The mothers of the center are most grateful to the Board of trustees of the Centerville Elementary School for their splendid spirit of helpful cooperation and assistance.

The officers who will guide the Centerville P. T. A. for the 1941-1942 school year were recently installed by Mrs. Loren Marriott. They are: President, Mrs. Edward Chamberlain; vice president Mrs. George Pimental; secretary, Mrs. Allan Walton; financial secretary, Mrs. Teresa Ornellas; treasurer, Principal Thomas Maloney; parliamentarian, Mrs. A. E. Rogers; historian, Mrs. Ed King.

Refreshments were enjoyed by the members and friends following the installation exercises.

The first regular meeting for the new school year will be held on Tuesday afternoon September 23.

Poland, to address the "Dollars for Defense" rally of the Association which will be held Monday, June 16, at the Hotel Claremont in Berkeley. Mr. Poland will speak on the subpect "What is Expected of Taxpayers to Finance National Defense."

Dinner reservations at $1.50 may be made in advance for the 7 o'clock event by contacting the Oakland office of the Couny Taxpayers association.

NEWARK CHURCH PLANS CHAMARITA JUNE 21 & 22

NEWARK — Plans are now being made for an old time chamarita to take place Saturday evening, June 21 at the Newark Pavilion, with an auction sale of food and dry goods Sunday following the 8:30 mass at St. Edwards Catholic Church for the benefit of recent repairs on the parish house and church.

On Saturday evening, Tony A. Silva, a pioneer of Newark who was the leader here many years ago in conducting chamaritas, will resume his duty in conducting this one. A. E. Francis is general chairman of the dance.

On Sunday morning following the mass an auction sale will be held at the church grounds. The committee in charge for Sunday consist of Francis, M. F. Perry, M. D. Silva, John Pope, Fred Reider, Tony Perry, Harry Weber, J. L. Dias, John Freitas, J. F. Silva. James Collins and other parishioners. This committee will act with the assistance of the ladies of the parish.

Such donated articles as groceries, beverages, and dry goods will be auctioned. The committee is hoping for a large turnout at both of these affairs.

Christian Science Churches

"Great and marvellous are thy works, Lord God Almighty; just and true are thy ways, thou King of saints." These words from Revelation comprised the Golden Text used Sunday, June 8, in all Churches of Christ, Scientist, branches of The Mother Church, The first Church of Christ, Scientist, in Boston, Mass.

The subjec of the Lesson-Sermon was "God the Only Cause and Creator." Included among the Scriptural selections was: "These are the generations of the heavens and of the earth when they were created, in the day that the Lord God made the earth and the heavens, And every plant of the field before it was in the earth, and every herb of the field before it grew: . . ." (Gen. 2: 4, 5 to :).

The following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, were also included: "God, Spirit, alone created all, and called it good. . . . Spirit creates no other than heavenly or celestial bodies, but the stellar universe is no more celestial than our earth . . . Mind made the 'plant of the field before it was in the earth' " . . . How much more should we seek to apprehend the spiritual ideas of God, than to dwell on the objects of sense! To discern the rhythm of Spirit and to be holy, thought must be purely spiritual" (pp. 339, 509, 510).

NEWARK CHURCHES

Children's Day will be celebrated Sunday at the Newark Presbyterian Church. Church and Sunday School will combine and the children will take a leading part in the service.

Frances Hilton will read the scripture lesson and the Junior Christian Endeavor will lead the Responsive Reading. The Primary Department will sing two special songs. Mr. Henry B. Adams will preach to the children.

WASHINGTON TOWNSHIP HOME OWNERS!

Your water ranges from 12 to 60 grains in hardnes and hard water costs money —

TEN REASONS for owning a Water Softening Appliance:

All laundry work is done quicker and better. Laces, baby clothes and silks safely and perfectly washed.

The clothes come out cleaner, softer, whiter and smell sweeter—no unrinsed, soapy odor. They will iron easier and last longer.

In most homes 90 per cent of the soap can be saved and no caustic lye, chemicals, washing or scouring compounds are needed.

No scale deposits will form in the pipe lines, hot water coils or heating system. There will be fewer leaky faucets, fewer repairs, less gas bills.

Bath tubs, sinks, enamelware and polished metal fixtures will be easy to keep clean and new looking without using scratchy scouring powders.

The task of washing dishes will not be unpleasant and can be done better in half the time. China and glassware will be sparkling without wiping.

Bathing, shampooing and shaving is made delightful. It will be easy to keep the hair and hands beautiful without that sticky feeling.

Foods, especially vegetables can be prepared with little trouble. They will cook tender and more quickly and retain their natural flavor, also save 1/3 on coffee used.

Household expenses will be reduced and the comfort, health and happiness of the entire family improved.

Without any expense or obligation to you I will call and have an analysis made of your water supply, and if you are interested I can advise you on what water-conditioning equipment is needed.

For your information, prices range from $17.50 for a portable unit of 50 gallon capacity on up for larger, permanent installations.

VACATION BIBLE SCHOOL OPENS AT IRVINGTON MONDAY

IRVINGTON — The annual Vacation Church School of Irvington will commence Monday, June 16, at 9:00 a.m. It will continue daily, Monday through Friday for two weeks, culminating with a closing program for the parents and friends, on Friday evening, June 27.

In anticipation of a large attendance, the following teachers are ready to receive the boys and girls: Director, Arthur Kirk; Superintendent of Primary department, Mrs. Nita Fussell; teachers: Mrs. George Beardsly, Miss Ebba Rae Benbow, Miss Rachel Williams, Miss Alice Thomas, Miss Irene Lidikay, Miss Nell Warren.

All boys and girls are welcome, between the ages of 4 and 17. There is no charge for attendance, and the instruction is non-sectarian.

With the increase in employment has come a change in the methods of production from that of making aircraft in small lots to their production on the assembly line. Instead of working one shift a day all plants are working three shifts , on holidays, Sundays and vacation time.

Latest state statistics published by H. C. Carrasco, state labor commissioner show that aircraft work in the year from April, 1940 to April, 1941 is up to 134 per cent, and payrolls are up 193 per cent.

DECOTO DISCUSSION GROUP REVIEWS CALIFORNIA POETS

DECOTO — The Decoto Discussion Group met Friday, June 6, at the home of Mrs. Elsa Walker for a discussion of the poetry of Samuel Coleridge and of three California poets, Nell Farrington Myers, Sara Bixby Smith and Francisca Vallejo. After a review of the form of lyrical poetry the characteristics of the epic were discussed and the poem "Christabel." by Coleridge was thoroughly reviewed, also the sonnet, To the Autumnal Moon by the same author. For the remainder of the time the California authors were discussed and their poems read by the members.

Mrs. Williamson was invited to read her poems taking prizes at the Poets' Dinner but was unable to be present. Mrs. Myers also could not be present at this time. Light refreshments were served after which the group made plans for a picnic meeting for July at the Great Lakes Nursery at Saratoga.

Mrs. Taylar will be leader at the next meeting which will be a study of humor. The book of the month, Junior Miss, by Sally Benson and Before Lunch by Anna Thirkel will be read for this meeting.

IRVINGTON P.T.A. HEARS TALK AFTER POT-LUCK DINNER

IRVINGTON — The final spring gathering of the Irvington P.T.A. held in the grammar school here last Thursday night featured a pot-luck dinner and jointly celebrated the completion of the new outdoor recreation center and the installation of new officers.

The new recreation unit, carried on as a WPA project, cost about $500, with much of the labor being volunteered by local citizens. The unit consists of a barbecue pit, a pavilion and tables to seat 120 persons, playground equipment and ball fields. The center has floodlights making it available for community use at night as well as by day.

The supper was served out-of-doors by the P.T.A. with the Irvington Boosters club members as guests, in appreciation of their recent assistance with the school circus.

At 8 o'clock the public joined the group in the auditorium to hear Ed Levin, who spent ten years with Father Hubbard in Alaska, give an illustrated lecture on the Far North.

Mrs. Elsie Soito succeeded Mrs. George Scamman as president of the P.T.A.

The unit voted a five dollar donation for the U.S.O. and twenty-five dollars to give the entire school a free lunch on Monday. Mrs. J. R. Silveria gave the report on the eighth grade picnic which was held at Santa Cruz recently. The yearly reports were given by the various chairmen. Miss Irma Bond reported the sale of one hundred cook books with standing orders for many more. A donation of ten dollars was made to the Camp Fire Girls.

"OLD SOUTHLAND" TO BE FEATURED AT ICE FOLLIES

A bit of the old South during the colorful Aunt Bella period of Plaid skirts, lace pantalets, beaver hats and frock coats, make "Old Southland" one of the most colorful and interesting episodes of the new Ice Follies of 1941, now showing nightly at Winterland, in San Francisco.

Again beauty, comedy and thrills the three basic reasons for Ice Follies popularity are combined in this production number. It features Evelyn Chandler, America's Queen of the ice, as Belle of the South, and the famous comedy team of Shipstad and Johnson characterized as the Colonel and his lady.

EDDIE SHIPSTAD

It opens with a charming routine by 16 southern misses and gentlemen, a routine that was said by one Hollywood critic, to be the "finest ever seen on ice, a stage or dance floor anywhere."

The inimitable Evelyn Chandler has developed a new routine that tops all others in her long figure skating career. Including all the dash and verve of her previous apperances, Miss Chandler has added thrilling new tricks and skillful figure skating comedy.

Combining the elements of beauty, comedy and thrills, the numbed still retains the charming atmosphere of "Gone with the Wind". It has been greeted everywhere by rounds of applause and vigorous nods of approval.

Girls of Country Club Provide Musical Program

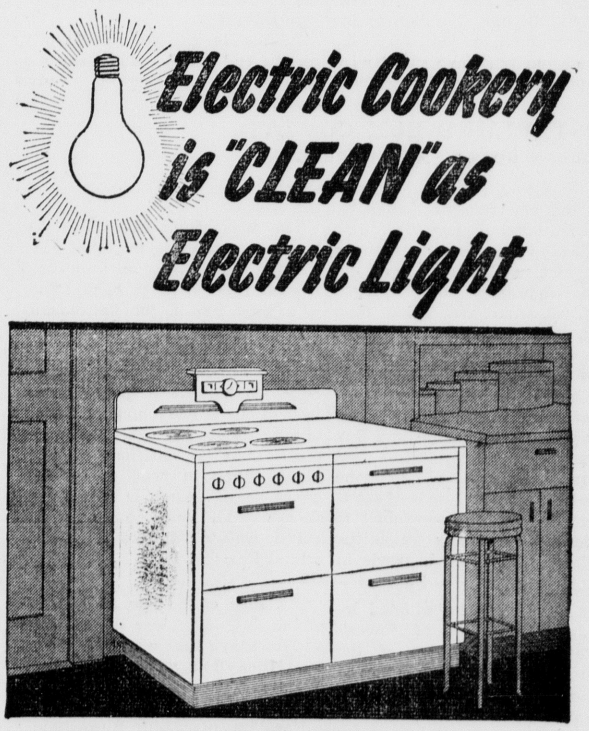
CENTERVILLE — The presence of their daughters at the last spring meeting of the Washington Township Country Club, held here an afternoon last week led to the possibility of making a mothers and daughters meeting an annual event.

Mrs. Jackson Webster, wife of the pastor of the Newark Presbyterian church, as speaker of the day discussed Family Relations. She came to the States recently after spending 12 years in Sitka, Alaska, and expressed surprise over the declining birth rate among the educated classes, and the lack of religious observances in the home.

Music arranged by Mrs. Jack MacGregor included the following numbers, directed by Miss Helena Stockholm, music teacher of the Washington Union High School: Vocal solos by Vernie Ray and Roy Mathiesen, accompanied by Laura Lee Zwissig; trumpet solo by Joe Lewis and several numbers by the Girls Glee Club. Others on the program were: Nellie Gordon of Hayward, vocalist, accompanied by Miss Shirley Marriott, Beth King and Vivian Rose, Spanish dances by Toni Holeman, a citizenship declamation by Barbara Williams and a motion picture review by Mrs. Jack Rees.

Mrs. Gilbert Smith of Centerville was accepted into membership. The club's next meeting will feature a reciprocity luncheon on September 16 and the club's drama section will hold a fashion show on October 3.

The St. Edwards Catholic church whist party held at the Newark Pavilion Tuesday evening with A. E. Francis in charge turned out to be a financial success. The committee wishes to thank all those who made this party the success that it was. The proceeds of the affair will go towards paying expenses of St. Edward's Catholic Parish House and the church.



Millions Now Enjoy Electric Ranges!

Have a picture book kitchen, clean and bright and modern. Start right with a modern electric range. Select any one of the new models from a variety of makes. They are all good ranges. They are all priced reasonably low. And anyone of the new 1941 models will cook with all the speed you would want food to cook. Then no matter if your kitchen is painted white or some light cheerful color do not worry about the paint getting smudgy and dirty looking in a short time. Your electric range cooks with heat from glowing coils that are clean and dependable as electric light.

Millions of American women now cook the modern electric way. They like the simplicity of operation of the electric range. They like the way the top units come up to cooking speed quickly at the snap of a switch. They like the perfect broiling and roasting in the ovens. They like the automatic time and temperature controls that take care of oven dinners or baking. And they like the economy of electric cooking, too.

Why not cook the modern way...with electricity? Here in California electricity is cheap for cooking. You will be amazed at how little it costs to operate one of the new 1941 electric ranges.

PACIFIC GAS AND ELECTRIC COMPANY

JAMES GRAHAM MFG., CO.

WEDGEWOOD GAS RANGES

No review of business, agricultural and industrial interests of the section would be complete without prominent mention of his company, which aids in no small measure the progress and prosperity of this section and is undoubtedly one of the most progressive and popular establishments in this district.

It is a well known fact that there is no one institution in the community that has met with greater favor with the public than this well known firm. By reason of the fact that the management has had wide experience in every feature of gas ranges and because of their knowledge of every branch of the trade this establishment has continued to witness the increase in the number of its patrons. Their products will be found in demand by all who insist on the best.

They deal on an extensive scale and their activity is conducive to the progress and expansion of the community in no small degree. It is important that we have conscientious firms like this one who aid in the reduction of prices of living for the people. Their policy along this line will be interesting for many business men as through this policy they have built up their large and growing business.

In making this Industrial Review, we are pleased to compliment the James Graham Mfg. company, located on Wells Ave. near Newark, 'phone 2141, and wish to direct your attention to this establishment as one of the reliable business institutions of the community which has added to the progress of this part of the state. -adv.

SANTA CLARA COUNTY FIRE INSURANCE CO.

WESTERLUND BOX CO., LTD.

CLEAN BOXES PAY DIVIDENDS

No item of expense in the packing of fruit and produce is so much justified as the money expended for good clean boxes. A neat and spotless appearing box acts as a silent salesman and more than brings back the original expense of its purchase.

One firm which makes a specialty of boxes and which has served the growers in this district for many years is the Westerlund Box company, at San Augustine and Autumn streets in San Jose, 'phone Ballard 7198. Its hundreds of satisfied customers bear testimony to the detailed attention which the firm has given to their needs in the past.

The Westerlund Box Co., is a local concern enploying local people and maintaining an important payroll right here at home. This is a good reason for patronizing this dependable firm, the excellence of their product of course being of paramount importance. They have studied the shopping problems of our growers and their containers reflect the precision made possible by an efficient modern plant. When in need of picking boxes, trays, vegetable crates and shook of all kinds, our growers will do well to call upon the Westerlund Box Co., Inc. -adv.

Four Ex-Presidents extend good wishes and good advice to one new President of the Young Republicans of California, as Joe Crail, immediate past-president of this progressive organization, extends the official gavel to Art Freedman of Modesto. Freedman won the Presidential Election by a wide margin as result of the balloting at the recent Young Republican Convention in Santa Cruz which was attended by some 270 delegates. Looking on during the Gavel Passing Ceremonies are former Presidents Hugh Center of San Jose, Harding McQuire of San Francisco, and Virgil Chapman of Sacramento.

An added performance of the Newark School Operetta was given Monday afternoon at the Niles Grammar school. The operetta was so well liked by many Niles people attending the Newark school presentation last Friday evening, that the students were notified and were glad to stage another performance. The cast for the operetta was published in last week's issue.

The Westvaco Chlorine Company of Newark's picnic Saturday at Stonybrook in Niles Canyon turned out to be a great success. The employees enjoyed a day of games, racing, dancing, and refreshments.

FLAG DAY JUNE 14

The Red, White and Blue is a grand Flag. Never has it been sullied. Never has it bowed in defeat. It flew at the halyards when this nation came into being. It flew, through turmoil and strife, when this nation was rent by Civil War. It flew in the Gay Nineties and it flew in Depression. It flies now, a symbol of freedom, in a world shorn of reason.

Why de we love this Flag? Because we love to be free men. Why is it so important now? Because most of the world is in chains. Because liberty, today, is as priceless a possession as it was when this nation was created.

When Flag Day comes on June 14, probably we shall all be at our given occupations. Probably we shall be a little preoccupied with the business of the day. But when in that day, we pass Old Glory, let's give thanks—just for a moment—that we live in America. Let's give thanks that we live under the Stars and Stripes. Let's say, very humbly: "God Bless America!"

THREE ROUSING CHEERS!

The news that We, The People have been waiting for for months became fact Monday forenoon when the President himself cracked down on the labor dispute in the North American Aircraft plant at Inglewood.

The President, after much huffing and puffing, finally DID something and We, The People, breathed a collective sigh of relief.

The strikers on Saturday led with their chins when they stated "We will defy the United States government." On Sunday they booed and cat-called Frankensteen, the leader of their branch of the C.I.O.

Just like a bunch of small boys, who'd rather play and have a good time, than work.

So the army marched in. . . It remains to be seen what success the army has in producing airplanes. The striking men are the ones who have to build the planes and up to Tuesday night only 3,500 of the 12,000 workmen had returned.

Perhaps the strikers can be impressed with the fact this is a WAR we are preparing for, — not a Sunday School picnic.

The planes have to be produced regardless of wages, hours or inter-union disputes. The men who wont work can and will be put into the army at $21 per month. One obeys orders in the army,—or else . . .

FLYING CADET REQUIREMENTS RELAXED

The army, in its effort to have 30,000 flying cadets in training before the end of this year, has relaxed its recent requirements that candidates must have at least two years of study completed at an accredited college.

In lieu thereof, candidates of good character and physique, who have had only one year of college, or only a high school diploma, will be given an examination on August 12. The five required subjects will be English composition and grammar, arithmetic, algebra, geometry and trig. Two optional subjects may be chosen from United States history, general history, elementary physics, inorganic chemistry or any modern foreign language.

The term "battlefield" has carried down through ages of conflict. But with most of this war being fought in and from the sky we have to coin the term "battlesky".

TOO BAD.

Through lack of sufficient patronage the Hughes Bakery in Niles, operated by Mr. and Mrs. Arthur Hughes of Irvington, closed its doors last week.

The bakery received fine support locally when it first opened, Mrs. Hughes says, but the business just missed making expenses the past two months, so they found it advisable to close.

The Hughes will be glad to provide bakery goods for luncheons and dinners from their Irvington store. Their telephone number is Irvington 33.

The trailer assembly plant which opened this spring next to the Crane Garage in Niles is temporarily closed, until they can sell their stock on hand, so far as can be learned.

The Central Distributing Company near the Rees Drug Store was closed up by its creditors and went into bankruptcy several months ago.

This is all sad news.

* * * *

On the other side of the picture it is reported the Telephone Company is to have a new building, situated near the Niles Theatre. It will be equipped to handle the dial telephone installations which are due to be installed in Niles soon.

Also we find a grand stream-lined office building and clinic going up for Dr. E. C. Grau, foundations for which are now being laid at the west end of Main street in Niles.

This new facility will be a great asset, not only to Niles but to all of Southern Alameda County . . .

As for the rest of us, who neither come nor go: we are just plugging along about as usual. —W.W.

TELLING 'EM!

"I've talked with hundreds of guys — some who came in the draft and some who enlisted — and I've yet to hear any grumbling," writes one draftee in the U. S. Army who, even in his regulation khaki, could be picked out on the parade ground by any feminine movie fan.

"The great majority of these guys," says actor-draftee Jimmy Stewart, "want to get all they can out of their hitch in the Army. And the Army has plenty to offer."

AMAZING! !

In the 21 months of this war, to May 31, the British casualty list for all branches of the service. including 19,610 soldiers wounded and 40,450 known taken prisoner, have just passed the 100,000 mark.

This is nothing short of amazing. In the last war more than one million soldiers were killed -in the second battle of Verdum alone in three weeks.

The type of warfare now is so different. Great armies dont face one another for months on end across an established no-man's land. This war moves too fast and only involves relatively small groups in isolated sectors.

In fact the civilian casualties in toe Britiss Isles no doubt exceed the losses in England's fighting services.

In the last war about $7,500 was spent for each man killed. As this war so far has cost 30 million dollars a day for 630 days, or a total of $18,900,000,000 dollars, it now costs about $189,000 to kill a man in war for England's enemies.

This sounds slightly haywire but then, the world today has gone decidedly ga-ga . . . and what is there to do about it but FIGHT?

"PRO BONO PUBLICO"

About a year ago the state took over operation of the Carquinez bridge and dropped tolls from 45c to 30c. The public has since used the bridge at the lower toll rate so extensively that returns are now far in excess of bond payment and interest requirements. So the Oakland Chamber of Commerce has appealed to the state director of finance to still further reduce the toll to 25c per car and five passengers, which will still yield enough revenue to enable the cost of the bridge to pay out by itself.

Are you reading this?

Who says

NOBODY READS THE ADS?

Last winter, at the behest of your editor, both the Niles Chamber and the Niles Junior Chamber endorsed the proposal to have the state negotiate for the purchase of the last two privately-owned bridges, the Dumbarton and San Mateo.

The public will hope this project goes through that we who live near these bridges, and use them frequently, may benefit by a substantial reduction in tolls. —W.W.

THE MAN AT THE KEYHOLE

By Operative WB

The thunder of Hitler's big guns draws nearer. Evidence: California will get its first general "blackout" tests during the next few weeks. Oil companies have received pointed suggestions from the Navy that they should build their new pipe lines and storage tanks underground. And San Francisco's new Union Square Garage, which is being equipped as an air raid shelter to house 30,000 persons, will be duplicated on a bigger scale (wouldn't you know it?) in L. A.

Nazi propaganda, published in German news papers, portrays the United States as "a bankrupt democracy." But the Cigar institute of America is out with news that sales of 15 and 20 cent cigars have increased nearly 21 per cent. Perhaps we're just going up in smoke.

No matter how the Supreme Court may rule on that case to determine whether the Communist Party shall be banned from the Califoria ballot, the ban is already on. A new statute enacted by the Legislature requires that any party, to be entitled to a place on the ballot, must have had 2500 registered party members at the last General Election. And the Communist registration has dwindled to less than 400.

AUTO DEATH TOLL REACHES NEW HIGH

By F. W. Braun, Chairman, the American Society of Safety Engineers

Motorized Americans took the lives of 8,110 of their countrymen in the first three months of 1941.

No, they weren't organized killers and it wasn't a military campaign. They were careless motorists on our highways and they had no intention of killing their fellow human beings.

The National Safety Council reports that the 8,110 killed in motor vehicle accidents in January, February, and March, exceeds that of a similar period in any other year. Furthermore, unless the present death rate drops, the 1941 traffic toll will reach 40,000, the greatest in the nation's history. In January, February, and March 1940, the number of traffic fatalities was only 6,990, the increase of this year over last year being 1,120, or 16 per cent.

The public can play a very important part in the war on accidents by bearing in mind that aside from humanitarian reasons this country simply cannot affort to waste human life.

At this time there is an actual shortage of labor in certain industries. When carelessness and safety violations kill men and women today, they are more criminal than ever before, for loss of life or limb is a more serious loss this year, than ever before.

REAPPORTIONMENT OF STATE APPROVED BY LEGISLATURE

SACRAMENTO —General satisfaction with the reapportionment of legislative and congressional representatives of the State is attributed largely to the work of the Senate elections committee.

Headed by Senator Chris N. Jespersen of Atascadero, the committee includes Senators Arthur H. Breed Jr., of Oakland, Randolph Collier of Yreka, Thomas McCormack of Rio Vista, Jerrold L. Seawell of Roseville and Ralph E. Swing of San Bernardino.

The committee, following extensive study of the problem of dividing the representation according to the 1940 federal census, arrived at amendments which reduced opposition to a minimum.

Following the senators' work, the Assembly adopted the changes and the bill is now before the governor for final approval.

By the measure, Alameda County's assembly districts will be numbered from thirteen to eighteen inclusive and the congressional districts will be six and seven.

Miss Marjorie Iglehart, seventh grade instructor at the Newark school will leave Saturday for her summer vacation in Missouri, Kansas, and New York City to visit relatives. She will make the trip by airplane. Her brother-in-law is in charge of the airlane.

PERSONALLY SPEAKING

By: Your Editor.

BLUNT — After 10 months of negotiations by the Japanese the Dutch in the East Indies have flatly rejected their demands for priorities in the selling of tin, rubber, etc. Along with that they have rejected Japan's "new order in East Asia."

The Dutch will continue to give priorities in exports to Great Britian and the United States. Say the doughty Dutch: "If there is to be war it matters little whether it comes now or later."

A little more of this spirit in vacillating quarters and the still-free nations will stand a much better chance of retaining heir freedom.

—ww—

ADVANTAGES — The prevailing war effort is bringing certain long-wished for advantages to this state.

California has been in the red since Jimmy Rolph's administration. Now the sales tax can be reduced to 2 1-2 percent, and the state's deficit will pay itself off in the next biennium. The state now enjoys larger returns than are needed, and some state expenses, notaby relief, have been reduced.

The big-wigs at Sacramento say that the State Relief Administration will be a "dead hoss" after Juily 1.

Unemployment relief checks for the last week of May, 1941 were 25 percent or $330,000 less than for the corresponding week in 1940.—The up-trend in re-employment is definite.

So it's an ill wind that blows no one good.

— ww —

PICTURES — The Britain at War sound pictures shown Tuesday night in the High School auditorium for British War Relief were disappointing so far as thrills and excitement went. There were neither.

In fact, their very drabness made them impressive. They showed a great nation, civilians as well as armed forces, drilled and trained each to his or her special job, ready to do an appointed task when, where and as the enemy struck.

Fishermen went on fishing regardless of the war, because people have to have food to eat. Civilians bombed out of their homes had to be taken care of; anti-invasion forces are ready and waiting to spring.

All of which re-iterates the futility of war: all normal peacetime efforts of a great nation brought to a standstill by the necessity of fighting for its existence.

Which brings up the question: will the United States have to experience the same thing, or will the Hitler monstrosity crack up first?

I still incline to the latter belief. The madman of Europe has far too many irons in the fire to keep them all glowing perpetually. Some one or several of them are bound to fall and hurn him and his'n (And the sooner the sweeter!)

—ww—

GOODY! — Ten French pilots, dressed in luftwaffe uniform, this week stepped into three of the nazi's most modern bombers, took off from a German-held airfield in occupied France; dropped some "sticks" of bombs on Italian submarines surfacing at Bordeaux, then flew straight to England, to join the R. A. F. with the nazi planes!

Can you imagine that for nerve? And were the nazis' faces red? The bombers contained the very latest of the Germans' mechanical gadjets. . . Just little episodes like this will cause Adolph to burst a blood vessel, one day!

NEWARK

Chief Joe Pashote and Tony Martin of the Newark Fire Department; Assistant Chief Frank Madruga of the Centerville Fire Department; Chief Joe Corey of the Irvington Fire Departmen; and Chief Roland Bendel of the Decoto Fire Department attended a three day school conducted by the F. B. I. at the University of California Friday, Saturday, and Sunday.

The 4-H boys and girls held a candy sale at the Operetta at the Newark school Friday evening. The sale proved very successful. The group is planning a party for their parents, so as to acquaint the parents with the 4-H work.

Mr. and Mrs. W. Holt and family returned home Sunday after spending a week in Oregon.

OLD GLORY CELEBRATES BIRTHDAY, PRIDE OF NATION FOR 164 YEARS

The shadowy figure of Betsy Ross is shown in the background of the U. S. Marines, displaying our National Flag and their regimen tal standard. At right are Pine Tr ee, Grand Union and Rattlesnake flags, used before the Stars and St ripes design was adopted by the C ontinental Congress, June 14, 1777.

SOUTH AMERICA SEEKS U.S. PLANT, VEGETABLE SEEDS

Recently the Pan American Society of TropicalResearch, distributed thousands of good will seed packets from the United States to Ecuadorean home owners and farmers. To the home owners went seeds of North American flowering plants-designed to beautify the parks and boulevards of Quito, capitol city of Ecuador. To the farmer went packe'ts of Hopa crabapple seeds which are believed to be suitable for growing in the Andean highlands.

Next the Society wants to make a wide-spread distribution of vegetable and fruit seeds throughout ALL of South America. The cooperation of United States Citizens is requested in this worthwhile movement. All interested garden club groups or individuals who wish to aid in making seeds of food-value plants available to the Republics of South America are urged to send their seed donations to The Pan American Society of Tropical Research, Casilla 315, Quito, Eucuador. Vegetable seeds are especially needed. Your seed donations will be received and inspected by the Society's botanists, repacked and sent out for free distribution through prominent newspapers and Departments of Agriculture in every South American Republic. These in turn will distribute the seeds to the people of the respective nations on a basis of no charge whatever and no obligation incurred. Spanish-printed pamphlets will go with the seeds to indicate best propagation methods, and to inform each recipient that they are a GOOD-WILL gift from citizens of the United States.

The Pan American Society will continue to send seeds of flowering South American plants to garden lovers of North America upon receipt of ten cents to cover postage and handling costs, but the principal object of the Society is the altruistic movement of obtaining and distributing, absolutly free, millons of seeds to the small farmers of South America. In this work, the Society asks for no financial aid but only that well-wishers of Latin America who wish to do so, contribute vegetable fruit and tree seeds that the Society will distribute at its own expence.

NEWARK SCOUTS PREPARE FOR SUMMER CAMPING

NEWARK — The Newark Boy Scouts and their committee are now making plans for their summer camp to be held from June 19 to July 2 inclusive at the San Mateo County Park. The camp staff will consist of Mrs. V. C. Tuchsen and Mrs. R. Truscott, cooks; Gordon Day will be in charge of swimming, and Jack MacGregor will be camp director.

In order to safeguard the health of the boys while they are in camp every precaution possible has been taken to insure a happy, safe vacation. The camp has met the rigid requirements of the Boy Scout organization, and has their official backing.

One of the requirements is that each Scout going to camp must first have a health examination by a doctor. The boys were examined Wednesday by Dr. Westphal of Centerville without charge unless there were parents wishing to have their boy examined by their own family doctor with the cost being paid by the parent. Wednesday, June 18, the boys will have a re-check health examination by the same doctor.

IMPROVEMENTS AT FAIR GROUNDS NOW COMPLETE

Improvements totalling more than $155,000 in cost are rapidly nearing completion at the Alameda County Fair Grounds at Pleasanton where a ten-day spectacle of horse racing, horse shows, entertainment and displays of agricultural and industrial products will be presented July 3 to 12.

Most imposing structure is the new $75,000 grandstand, with full vision seats for 3,500 spectators and standing room for 10,000 others. The grandstand building houses offices for fair association officials, and is topped by a press box from which the "Eye in the Sky" will photograph close finishes. Adjoining is a $9,000 jockey house where riders will rest between races.

The track itself, oldest in America and one of the finest, has been completely rebuilt, with turns banked high and back stretch widened to 60 feet. Inside the mile oval a half mile track has been built for harness races, and new fences have been erected around both. Track improvements, together with extensive reconstruction of old stables, entails a $30,000 project.

Two new livestock buildings, erected at a cost of $11,000, represents the latest type of construction for exhibit of farm animals.

Capacity of horse barns has increased to 500 through addition of 120 new box stalls, and a 325-foot barn has been built for show horses.

Final project of the present improvement program is a $1,500 road oiling job, to provide dust-free surfacing around barns and stables.

MASONIC HOME NEWS

By J. H. HEATH

Bouquets, gifts, candy and congratulations were extended by the members of the Home family, to the highly esteemed and the oldest, in point of years, Mrs. Margaret K. Williams, who joined the family group, September 2, 1939. Mrs. Williams celebrated her 92nd year on June 3. About 12 of her briends from Fruitvale Chapter No. 256, Oakland surprised her, bringing ice cream and cookies. Residence of Mrs. Williams at the home is sponsored by Fruitvale Lodge No. 336, Oakland, where she is known as the Mother Matron of Marietta Chapter. She was installed December 20, 1907, filling the office through 1908. In 1909 she was appointed District Deputy Grand Matron. Mrs. Williams is known and loved by members of Fruitvale Lodge as their "Sweetheart."

Word has been received here of the passing on May 29, of John Arthur Walden, Past Master of San Francisco Lodge No. 360. Several members of the Home recall his frequent visits during the residence of the late W. L. Carden, Charter Rock Lodge, 410, Berkeley, close friends since boyhood. Mr. Walden met with a fatal traffic accident while returning from a visit with the San Francisco Lodge to Redwood Empire Lodge No. 683. His car skidden on the wet and oily paved highway.

Mrs. Lena Bertolotti of Newark, Mrs. Geneva Smith and Mrs. Marion Zwissig of Decoto attended a county meeting of the Farm Home women at Pleasanton at the home of Mrs. M. Cossie recently.

Cleo Cooper, Avis Alberg, Edith Pimentel, Muriel Fournier, Roland Adams, and John and Frank Machado spent Sunday horseback riding at Alum Rock Park.

Father McLaughlin, pastor of St. Edward's Catholic Church of Newark, is attending the annual Retreat at St. Patricks Seminary at Menlo Park of the Catholic Archdioecese this week.

Miss Lida Francis entertained the Newark Bluebird Club at her home Tuesday evening. Refreshments were served.

The Alvarado Softball Club dance held at the Newark Pavilion Saturday evening turned out to be a financial success and the committee wishes to thank all those who made this affair the success that it was.

P. T. A. AT NILES ENDS SUCCESSFUL YEAR ON TUESDAY

The last meeting of the Niles P. T. A. for this school year was held Tuesday afternoon at the school with Mrs. Harvey Braun presiding.

Annual reports of appointed committees were given, showing the progress and growth of the year. The cafeteria for next year was discussed and Mrs. C. Parry was re-elected supervisor and manager on the same terms as last year, up to January 1, 1942.

A letter of thanks was sent to Miss Louise Inglis, who is retiring from teaching in appreciation of her years of faithful services in school and P. T. A. work.

The following chairmen were appointed by the incoming president, Mrs. Fred Duffie:

Membership chairman, Mrs. Rosie Pireira; Program chairman, Mrs. F. Dias; Fiance and Budget, Mrs. R. Calhoun; Cafeteria, Mrs. Chas Myrick; Hospitality, Mrs. E. E. Dias; Publicity, G. D. Maphet; Summer Round-Up, Mrs. F. Dias; Magazine, Mrs. Le Count; Music, Mrs. Oliveira; Art, Miss C. Enos.

The Eighth grade party was held at Linda Vista Park on Wednesday with Mrs. Viola Dias as chairman.

The next meeting will be held in September and will be in form of a reception for teachers and new members.

COUNTY RECEIVES LARGE SHARE OF LICENCE REVENUES

SACRAMENTO — The apportionment of $9,658,823 in motor vehicle license fees collected from July 1- 1940 to March 31st, last, was announced today by James M. Carter, Director of Motor Vehicles.

Of the total, 20 percent, or $1,931,764, was turned over to the general fund of the state. The remainder was apportioned 40 per cent to the incorporated cities of the state and 40 percent to the counties on a basis of population.

Under the state law, the money must be used for street and road building purposes or for police and fire protection of the traffic thereon.

Of the total apportioned, $286,943 went to Alameda County and $363,891 to the cities of this county, a grand total of $650,834.

SCHOOL IS OUT, WATCH FOR CHILDREN!

SACRAMENTO — School is Out! Look Out For The Children!

This Terse warning was issued today by the Department of Motor Vehicles. Department officials pointed out more than 1,000,000 children of elementary and secondary school age will be released in California for the vacation period during the next two weeks.

"Vacation time is play time," Director James M. Carter said. "More children will be playing in the streets or walking along highways. They do not have the caution of older people. Motorists should keep an eye out for them at all times."

Miss Leona May Miller has been confined to her home for several days.

HOT BALL GAME PROMISED FOR NEXT MONDAY EVE

The Native Sons softball club, winners of 1939 softball league, are leading the league in 1941 and looking forward to another pennant. Manager Kenneth Ferry is pepping up his ball club to defeat Occidental, when they clash in the second game, Monday evening June 16. Ferry states that the hitting power of the Native Sons bat pile should defeat the second-place Occidental team. Mayer, manager of the Occidental Club, is also hoping that his players will hit in the clutch, and that his ace pitcher, Telles, will be in fine shape to tame the league leaders, the Native Sons of Centerville.

No softball games were played this week at the High school on account of school activities but fans are urged again to attend games which reopen Monday evening, June 16.

Acording to statistical records from the official scorekeeper, It is found that Albert Silveria, president of the associatioi, and a player on the Native Sons Club, has a batting average of 1.000. Silveria has been at bat 13 times, but according to baseball rules he is credited as being at bat only 3 times with three hits. In ten times out of 13 he has either sacrificed a runner or has been issued walks, which does not count officially as a time at bat.

— Next Weeks Games

The schedule of softball play next week is as follows: On Monday evening two good games are expected when W. O. W. and Wedgewood tangle, and Native Sons and Occidental.

Tuesday evening K. of C. vs. Co. Employees, Central Chevrolet vs. Silver Dollar. Wednesday evening, Kraftile vs. Occidental, and Westvaco vs. Decoto Boosters. Thursday evening, two good games are expected when Silver Dollar tangles with the W. O. W. aided by that scrappy manager, Artie Duarte. In the second game, Co. Employees vs. Native Sons. Friday evening, K. of C. vs. Decoto Boosters, while in the second game Wedgewood meets Central Chevrolet.

Scores and highlights of last weeks games follow.

— Win Five Straight

In the first game, Monday evening, Co. Employees upset the Occidental Club by a score of 9 to 2. Collins was the winning pitcher. In the second game, Native Sons won their fifth straight game defeating Wedgewood 12 to 2. Ornellas was the winning pitcher. Joe Dutra and Manuel Azevedo for the winners each hit a home run. After the game both these players were given a free pass to the Niles Theatre for their powerful drives.

On Tuesday evening, Kraftile defeated Central Chevrolet 12 to 6, while in the second game, Silver Dollar slaughtered the Decoto Boosters by a score of 20 to 0.

— Two Best Games

The two best games of the week were played Wednesday evening. In the first game, Westvaco defeated Co. Employees 8 to 3, while Occidental nosed out their rivals, Wedgewood in an eight inning thriller in the second game, 7 to 4. Telles pitched beautiful ball for the winners.

The Native Sons won their sixth straight game Thursday evening by defeating W. O. W. 11 to 2. The second game was exciting, when Central Chevrolet won their first league game by beating the cellar team, Decoto Boosters in a track meet instead of a softball score. The final tally was Central Chevrolet 26 and Decoto Boosters 2.

Friday evening Silver Dollar won an easy game from Kraftile by a score of 14 to 3. Peter Rivers was the winning pitcher, and Joe Correira for the winners hit a home run. In the second game, Westvaco shutout K. of C. in a nine inning thriller by a score of 4 to 0. "Lefty" Miller, who has been a sensational pitcher in the league, again pitched beautiful ball. The first run in the ninth inning, which cinched the game for Westvaco was a home run by George Sweeney.

FOUR SCOUTS TO RECEIVE EAGLE RATING

Next Monday evening four Boy Scouts and a Scoutmaster will step before Judge Frank M. Ogden to receive the highest award in Scoutdom, the rank of Eagle Scout. The ceremony will take place in the Alameda County Court House starting at 8 p. m.

The Eagle Court will be the last major council activity before the opening of the summer program announced K. Leroy Mamman, council president. Camp Dimond, the local campsite of the Oakland Area Council will be open to Scouts during the entire vacation. B. C. "Bugs" Cain will be in charge of the camp during the summer. Scouts may stay in camp for a day, week, or month and have the facilities of the camp at their disposal, Cain said. There is no fee for the use of Camp Dimond, which includes daily swims in the 300,000 gallon pool.

Camp Dimond-O, the high Sierra Camp of the Oakland Council opens on June 21 and will operate for three 14 day periods announced W. T. Lindsay, camp director. Scouts are now submitting their applications in order to attend the mountain camp, Lindsay said.

GOING TO CAMP

Walter Waynflete and Walter Kleinsaser are driving Field Executive W. T. Lindsay and his son Andrew to Camp Dimond-T in the high Sierra near Mather, leaving Niles Friday afternoon. Mr. Lindsay will remain in camp as supervisor for the summer months and Andrew will enjoy a week or two in Scout camp. Some fishing on the side is indicated.

BRITISH WAR FILMS REALIZE $53 FOR RELIEF

CENTERVILLE — The sum of $53 was realized for the British War Relief association from a small but generous crowd which viewed nine reels of life in Britain during war time, shown Tuesday evening in the high school anditorium under the auspices of the Niles Chamber of Commerce.

The proceeds have been sent to the San Francisco office of the relief body to help pay for the "accident unit" designed for use in Oxford, England in air raid work as a memorial to the late Professor Charles Mills Gayley, California educator, who formerly studied in England.

Thanks are expressed to Mr. A. J. Rathbone and the high school board of trustees for use of the auditorium and to young Mr. Amaral and his assistant who ran the projection machine.

Walter Waynflete spoke a few words during the intermission. The Canadian Legion Post of Hayward attended in a body.

SUNOL GRADUATES

SUNOL — Seven students received their diplomas at graduation exercises held in the Sunol elementary school Wednesday evening. A play, The Undoing of Albert O'Donnell was presented by the students, directed by Harry Tripp, music instructor. The diplomas were presented by the principal, Miss Anita Wieking.
